All candidates who obtain a final classification, without rounding, of 12 points or more, will be considered to have passed with absolute merit.

Ranking and tie-breaking of the candidates:

a) The candidates admitted with absolute merit are ranked in descending order of the final classification obtained as a result of the application of the final evaluation system.

b) In the event of a tie, the centesimal classifications will be used to rank the candidates and, if the equality persists, the following criteria will be applied in turn:

1. Having obtained a higher score in the sum of the DTCP and CP parameters;

1. Having obtained a higher score in the DTCP parameter;

2. Having obtained a higher score in the CP parameter;

3. Having obtained a higher score in the OAR parameter.

c) The candidates without absolute merit will be ranked in alphabetical order with an indication of the points obtained.

Ranked list - Hearing of interested parties: after approving the draft ranking list, with the seriation of the candidates approved with absolute merit and the list of the candidates not approved with absolute merit, the jury will communicate it to them for the purposes of the hearing of interested parties. The draft list will become the final list if there are no complaints.
